During this fun filled week, children will be introduced to acting, singing, dancing, costume design and theater production. Your child will be working with our professional staff here at Chanhassen Dance who have extensive experience working with children of all ages in the camp setting. Each day at camp, our staff will be working with your child on their assigned dances, songs and acting roles.

Campers are asked to bring a bag lunch each day. On the first day of camp, each child will be given a part in our production of "Beauty and the Beast." On Tuesday, Wednesday, and Thursday our staff and cast members will work hard to rehearse roles, build sets and work on costumes for our Friday productions. There will be two shows on Friday so that our campers can invite their family and friends to see all of their hard work.
